DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

The disclosure is objected because of the following informalities: "data segments 521 and 531" of page 10, line 1, specification should be "data segments 521 and 522" (see fig. 5), 813 cyan of page 12, line 7 cannot be located in fig. 8; and "step 920" "step 930" of page 13, line 1 should be "step 910" and "step 920" respectively.

The lengthy specification has not been checked to the extent necessary to determine the presence of all possible minor errors. Applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.

2. The drawings are objected to because printer device 130 is misspelled as "pointer device," and 813 cyan of page 12, line 7 cannot be located in fig. 8. Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency.

Art Unit: 2625

Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

3. Prosecution on the merits is closed in accordance with the practice under Ex Parte Quayle, 1935 C.D. 11, 453 O.G. 213.
4. A shorten statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
5. Claims 32-35 are allowed.
6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to King Y. Poon whose telephone number is 571-272-7440. The examiner can normally be reached on Mon-Fri 8:00-4:30.
